- The weather will be quite warm during our visit so please pack accordingly. I would say hi 70's to low 80's and always a possibility of rain.
- I would encourage you to purchase wine & olive oil from our hosts. They also have CD's and cookbooks for sale.
- The village of Cadenet is within hiking distance to our B&B. The B&B also has a pool and plenty of space for lounging.
- You can visit the website at www.tuilier.free.fr.
- This is your vacation so you are free to take a day off and just relax. No one will be offended. The group dynamic is very interesting and is always better with more couples than singles in my experiences.
- This itinerary looks to be pretty solid as of right now. We will let you know of any changes as they occur.
